

NEBOSH International General Certificate in Occupational Health & Safety

(in association with Complete Fire Design Solutions & CIWCE)

Sustainable Business Solutions (SBS)

SBS is a Lahore based organization providing value-adding advisory, professional learning & development, auditing and testing/monitoring services in the areas of occupational health & safety, environment, energy and quality. Our clients are based inside Pakistan as well as outside. In addition to NEBOSH qualifications, we also offer IOSH, IRCA, IEMA and CIEH accredited professional development courses.

Tutor

The tutor for this particular program is a veteran OH&S professional. He got his MSc in OHS from UK in early 1990s. He is a Graduate Member of IOSH, "the world's biggest professional health and safety organization; the voice of the profession". He has over 20 years OH&S management, training & research experience in various parts of the world including Pakistan, USA, UK, Canada, Germany, Switzerland and Australia. He has been consultant to several international organizations including ILO, UNDP and WHO in OHS projects for the last many years. His contribution to the OH&S discipline has been internationally recognized and appreciated as he has been awarded the Tech Award by Tech Museum, California, USA and Tamgha-e-Imtiaz by President of Pakistan in recognition of his services as an OH&S expert.
